

KSLTA -STATE RANKING TENNIS TOUR

Karnataka State Lawn Tennis Association is introducing the state ranking structure for the all the players of Karnataka.

Mission- The state ranking tour is being introduced to give opportunity for players of all age group and different play level a chance to play tennis at a competitive level under a consigned environment which will be quantifiable by state ranking points and monthly roll over ranking system with a year-end state championship.

This structure is prepared keeping in mind to give players (wanting to play professional tennis) maximum opportunities to play competitive tennis and help them prepare for the National and International circuit ahead, the structure also allows senior tennis players (aged 35 and above) to have a chance to hit the competitive tennis court.

We are eagerly wanting to take this event to all parts of Karnataka at district and taluk level and eventually introduce tennis to all the Tier II and Tier III cities of Karnataka to give opportunity for players and organizers of the rural area to get introduced to competitive tennis. We intent to say that all the Players and Organizers of the events to be very important stake holders and brand ambassadors of tennis in the state and help grow the sport to greater heights.

The tournament will be opened for registered players from Karnataka only.

Following are the events that will be conducted under the state Ranking Structure.
